Before you commit to anyone for your tuxedo rental, be sure to check out the selection at The Hope Chest. We believe we can give you the best look at very competitive prices and with excellent service. For wedding parties we offer a variety of savings options like FREE Groom's Tuxes, FREE Ringbearer's Tux, 50% OFF Ringbearer's or Fathers' Tuxedos, 10% OFF the entire order plus many other discounts and coupon specials. Details vary by company. "Earlybird" programs have become common practice. Simply register your wedding by March 31st (March 15th with some companies) to receive additional savings.

The Hope Chest offers \$40 off designer tux rentals (with a minimum of 4 rental units required). The offer also applies to Prom Customers when your date purchases her dress at The Hope Chest.

You can spend up or down when it comes to choosing the tuxedo that's right for you. We find that for special events, guys like a designer look, which means a higher rental cost. But if you want a basic look at a lower cost, we have that too.

- ¹ A unit is a jacket, pants, shirt, vest and tie.
- ² Upgrades, like microfiber shirts or a designer vest & tie added to a budget tuxedo cost more.
- ³ Coupon credits are store coupons, i.e. \$40 off a designer tuxedo rental.
- ⁴ Discounts are figured only on the base unit plus cost of upgrades (if any), less credit for coupons (if any). This means a customer receiving a free tuxedo rental must still pay the cost to rent shoes, the maintenance fee, cost of purchased items and the tax on the entire rental.
